如果你未满 24 岁，不需缴纳每月 \$12 的服务费。
2. If you are 23 years or older, you can get 2 months with no fees. After that, the fee will be \$12/ month, unless you have a direct deposit (monthly working payment) of \$250 or more.
如果你大于 23 岁，你可以开户两月之内不缴纳服务费；但之后若没有 \$250 以上的正常收入（每月的工资，美国政府补贴）作为保证，你每月需正常缴纳 \$12 的维护费用。
3. Another option to avoid the \$12 fee is to have an average monthly balance of \$1500 in your account.
当你每月的账户余额不少于 \$1500 时，也可不缴纳此费用。
4. To wire funds from China or other countries, it's a flat fee of \$16 regardless of any amount.
每笔跨国转账交易（不论金额），BOA 将收取 \$16 的固定手续费。
5. If you lose or break your debit card, there is \$5 fee for a new one.
储蓄卡一旦遗失或损坏，补办新卡需收取 \$5 费用。
6. If you swipe your debit card and there is not enough money for what you are trying to buy, your debit card will be declined. If you write a check or make an electronic payment (PayPal, paying tuition online) and there is not enough money in your account, you will be charged a \$35 overdraft fee.
当账户内余额不足时，交易将自动取消。当进行支票交易或电子交易（PayPal, 网上支付学费）时余额不足，需额外缴纳 \$35 透支费。
7. Cash deposits will be instantly deposited into your account. If a check is deposited at the bank, it will go into your account at midnight. If you deposit a check using the ATM or mobile app, as long as you deposit before 8pm, the check will go in at midnight. If you deposit a large check, there may be a hold to verify funds. Your receipt will always tell you the date and time the funds will go onto your account.
现金存款将即时到账。在银行办理的支票存款或在当日晚 8:00 前于 ATM 或移动客户端办理的支票存款将在当晚 12:00 前生效。支票存款金额较大时，银行需进行审核。具体到账时间将显示在收据中。
